Re: ***In re. Noel: DMCA Subpoena  
Commanding Production by Reddit, Inc.  
New Miscellaneous Case Filing***

Dear Sir or Madam:

Title 17 of the United States Code, Section 512(h), specifies that any person authorized to act on behalf of a copyright holder may request the clerk of any United States district court to issue a subpoena to an online service provider for identification of an alleged infringer in accordance with the Digital Millennium Copyright Act ("DMCA").

This law firm has the privilege of representing Natasha Noel, owner of the copyrights in and to certain materials that have been infringed through use of the online services provided by Reddit, Inc. ("Reddit"). Enclosed with this letter, you will find a copy of Ms. Noel's original notice of alleged infringement to Reddit. Upon information and belief, a representative of Reddit is located within the jurisdiction of this Court who has access to the identities of the Reddit users responsible for this infringement of Ms. Noel's copyrights.

In addition to the original notice of infringement, you will also find a proposed subpoena and the required affidavit concerning use of the information sought. Pursuant to the DMCA, we respectfully request that you execute the enclosed subpoena directing Reddit's records custodian to disclose the users' identities, and then use the FedEx prepaid return label provided to return a copy of the subpoena to our offices in Miami, Florida. A check in the amount of \$49.00 to cover the filing fee to open the miscellaneous case is also enclosed.
